NOTE

If any date changes are made:

1. Changes in any dates can have unforeseen consequences and we will need to have at least two weeks advance notice to ensure that all systems and documentation are ready. Enrollment notices must be posted on the school website sixty (60) days before the initial period of applications, and changes could potentially reset this requirement.
2. Please inform Academics West (Liaison or Emily Bejarano (emily@academicawest.com) or Trish Lester (trish@academicawest.com)).
3. Update the school website.
